Ref. Ares(2022)4166303 - 04/06/2022

Annex III.

HEALT AND SAFETY PLAN

(Table of Contents)

This document provides indicative Table of Contents of Health and Safety Plan (HSP) to be elaborated and implemented by the IMT Contractor.

The management systems to be established by the HSP shall include and be binding on all Sub-Contractors to be employed by the Contractor and any Sub-contractor of these.

The Contractor shall ensure that the Sub-Contractors HSP procedures and methods are no less than his own.

TABLE OF CONTENTS (INDICATIVE)

ACRONYMS

01. INTRODUCTION
- General introduction of H&S Management System
- Regulations, Laws and Standards
- Ownership of the Health and Safety plan (HSP)
- Revision of Health and Safety Plan

02. DEFINITIONS

03. PROJECT SCOPE

04. REQUIREMENTS AND OCCUPATIONAL HEALTH AND SAFETY OBJECTIVES
- Health and Safety Objectives
- Health and Safety Targets
- Health and Safety Key Performance Indicators

06. HEALTH & SAFETY ORGANIZATION RESPONSIBILITIES & COMPETENCE
- Organization Chart
- Project Manager / PIU
- The Contractor
- Role of Health and Safety officer
- Health and Safety officers
- The Engineer and Supervisory Staff
- Other Employees
- Health and Safety staff of the Sub-Contractor (if any)
- Security Personnel
- Competencies

07. RESPONSIBILITIES

08. PROCESSES, PROCEDURES, GUIDANCE AND FORMS

OCCUPATIONAL HEALTH

- General
- Risks
- Personal Factors
- Environmental Factors
- Job Factors
- Manual handling
- Noise
- Vibrations
- Stress
- Respiratory problems (Dust)
- Fumes including solvent fumes
- Dermatitis
- Existing /Underground Utilities
- Excavations
- Lifting Operation
- Lifting Gear
- Fire Safety
- Transport and Traffic Management
- Plant Equipment & Machinery
- Repetitive strain injury
- Housekeeping Program
- Scaffolding Safe Work Procedure
- Confined Space
- Hot Work and Welding
- Working at Height
- Electrical Safety
- Job safety analysis
- Job Hazard Assessment (JHA) Procedures

RISK MANAGEMENT AND CONTROLS

- General Risk Management Procedure
- Method Statements
- Task Briefings, STARRT (Safety Task Analysis Risk Reduction Talk)
- Assessment of Risk & Scenario Frequencies
- Assessment of consequence classes
- Risk Classification – Hazard Ranking
- Procedures for Specific Activities
- Activities

H&S VIOLATION, SMOKING, ALCOHOL AND DRUGS

- H&S Violation
- Smoking on Site
- Alcohol and drugs

DISCIPLINE AND ENFORCEMENT ACTIONS

- Discipline
- Enforcement Action
- Disciplinary Action Procedure
- General Safety Rules

TRAINING REQUIREMENTS

- General Requirements
- Training Objectives
- Selection of Trainees
- Training Methodology
- Contractors Training Staff
- Induction Training
- H&S Leadership Training
- Training for Supervisors
- Behavioral Based Safety Training
- Specialized Training
- Supervisor`s training
- Toolbox Talks
- Training Records

09. HEALTH & SAFETY AWARENESS

10. EMERGENCY PLANNING

- Introduction
- Emergency procedures
- Emergency Drills
- First aid and medical assistance
- Emergency Organization
- Evacuation
- Stop the Work
- After the incident activity
- Transfer of authority for an emergency/major incident
- Inclement weather and Flood mitigation
- Emergency Contact Details

11. INTERNAL AND EXTERNAL REPORTING

REPORTING ACCIDENTS

- Accident and Incident Reporting and Investigation
- Near Miss Reporting
- Emergency Preparedness
- Site Cleanliness, Housekeeping and Sanitation
- Safety Notice Board
- Compensation for Damage
- General Health and Safety Performance

SPECIAL SAFETY PRECAUTIONS

- Permits
- Mechanical Plant, Machinery and Equipment

INCENTIVE AND RECOGNITION SCHEMES

HSE MEETINGS AND CONSULTATIONS

- Purpose and Scope
- HSE Committee Meeting
- General description
- Internal Meeting Schedules
- Meeting Record Formats

INSPECTIONS

- Inspections
- Government Agencies and Statutory Authorities Inspections
- Daily Inspections

SAFETY REPORTS & AUDIT

- Audit Scope and Purpose
- Responsibilities
- Procedure
- Notification Internal
- Notification External
- Audit Preparation
- Auditors
- Audit Execution
- Safety Corrective Action
- Safety Audit Report
- Non-Conformance Report Format
- HS Information and HS Statistics

SITE RULES

- Compliance
- Site Rules Definitions

12. PROJECT SITE WELFARE FACILITIES

- Rest Areas
- Drinking Water
- Toilets
- Mess Halls

13. PERSONAL PROTECTIVE EQUIPMENT

- Instructions
- Basic PPE
- Eye & Face Protection
- Respiratory Protection
- Ear/ Hearing Protection
- Hand & Arm Protection
- Body protection
- Full Body Harness & Lifelines

14. FIRST AID AND MEDICAL CARE

- Requirements
- First / Aid First Aid Procedures
- Medical Requirements
- Eye Wash Stations
- Personal Hygiene
- Legal Requirements
- First Aid

16. LEGISLATION AND OTHER STANDARDS

13. Annexes & Attachments:

- H & S Policy
- Training Needs Analysis/Training Metrix
- H & S Responsibilities Organization Chart
- Guide to Risks
- List of Form and Templates
- List of H&S Procedures
- Annual Health Screening Form
- Plant, Equipment and Electrical Tools Inspection Sticker
- Checklists
- Permit to Work Forms
- Site/office Layout plans
- Emergency Evacuation Plan
- COVID-19 Visitor Questionnaire
- Risk Assessment for the Project
- Other
